Professional Experience

Attending Physician & Clinical Director

Boston Children's Hospital Emergency Department

2018 - Present | Boston, MA

Lead clinical operations for one of the nation's premier pediatric emergency departments, treating 65,000+ patients annually. Supervise resident physicians and medical students while providing direct patient care for complex pediatric emergencies. Oversee quality improvement initiatives and emergency preparedness protocols.

Key Responsibilities:

- Provide emergency care for critically ill and injured children
- Lead trauma team responses and coordinate with surgical specialties
- Supervise and educate emergency medicine residents and medical students
- Participate in hospital-wide quality improvement and patient safety committees
- Develop and implement emergency department protocols and procedures

Attending Physician

Boston Children's Hospital Emergency Department

2013 - 2018 | Boston, MA

Provided comprehensive emergency medical care to pediatric patients ranging from newborns to young adults. Specialized in managing complex medical emergencies, trauma cases, and critical care procedures in the emergency setting.

- Managed high-acuity cases including respiratory failure, sepsis, and multi-trauma
- Performed emergency procedures including intubation, central line placement, and lumbar punctures
- Collaborated with pediatric subspecialists for complex case management
- Participated in emergency department research initiatives

Chief Resident

Massachusetts General Hospital Emergency Department

2011 - 2012 | Boston, MA

Served as chief resident during final year of emergency medicine residency training. Led resident education programs, coordinated clinical schedules, and represented residents in departmental meetings and policy discussions.

- Organized weekly resident education conferences and case presentations
- Mentored junior residents and medical students
- Participated in emergency department quality improvement projects
- Maintained 98% patient satisfaction scores during tenure
